

ROBOPANDA™

A FUSION OF TECHNOLOGY AND PERSONALITY

Doc 06 - ver. 02

ROBOPANDA™

A FUSION OF TECHNOLOGY AND PERSONALITY

"Let's play a game!" Robopanda™ is a fun-loving and curious robotic friend. No need for a controller! Interact with him by touching or activating his many sensors: Robopanda plays on his own or with his plush panda accessory, but the fun is never complete without your interaction. You determine the outcome of stories, games, and even the mood he is in. Animated, talkative, and playful, Robopanda is the perfect companion to play and learn with; when playtime is over, curl up with him and he will tell you a bedtime story.

Robopanda

Three play modes:

Friend Mode Robopanda initiates interactive conversations, prompting you to respond.

Menu Mode Find games, stories or other features easily with Robopanda taking you through the menus.

Training Mode Learn how to interact with Robopanda by using this mode.

Moods

Robopanda can be happy, shy or feisty. So treat him nicely.

Trick training

You can teach Robopanda tricks by moving his limbs around.

Interactive stories

Robopanda is a great storyteller - but these are not ordinary stories! Robopanda will ask you to interact with him to directly determine the outcome of the stories.

Games

Robopanda plays memory and action games with the user.

Incredible movement

All four limbs move independently; his head can turn and tilt; his eyebrows and ears are animated; he can sit, crawl and sit back up again.

Touch sensors

Robopanda has advanced touch sensor technology on his arms, legs, belly, back and head. He will respond differently to a stroke than he will to a pat or to a touch.

Sonic sensor

Robopanda can hear sounds for games and other interactions, reacting to stimuli and his environment like no other toy.

Additional content

Robopanda's play modes, stories and songs are stored on interchangeable cartridges, for double the playtime!

LIFELIKE BEHAVIOR AND MOTIONS

INTERACTS WITH PLUSH FRIEND

TOUCH ACTIVATED - NO CONTROLLER!

Item #:	8068
Age Grading:	8+
UPC:	771171180685
Ctn. Quan:	1
Cu.ft:	2.34
Package Dims:	14"L x 14"D x 18.5"H
Carton Dims:	14.5"L x 14.5"D x 19.25"H
Battery Req.:	4*AA, 6"C"(Sold Separately)
