

*** PREPARING FURBY FOR A NAP**

ELECTRONIC!
Furby Sleepy Time Bed™

**INSTRUCTION
MANUAL**

Furby is reminded of his cloud home each time he sleeps in his cloud bed. Now you can gently rock Furby or Furby Babies to sleep with the Sleepy Time Bed. The fluffy cloud pillow has a soft place for Furby to rest. Use the safety belt to buckle Furby in place so he doesn't fall out. Place Furby into the bed, move the handle into "sleepy time" position and press the "sleepy time" button. Furby will gently fall asleep!

*** GETTING STARTED**

1. The handle must be in the "up" position.

2. Place Furby or Furby Babies into the bed. Make certain Furby is facing forward, or toward you. The bed will not make Furby go to sleep if Furby is facing in the wrong direction.

3. Buckle the safety belt by threading the right strap through the loop on the left strap. Fold the right strap over the buckle and press the end against the strap. This will securely hold Furby.

4. Move the handle to the "sleepy time" position.
